IV. CHART CORRECTIONS

The letter (M) immediately following the chart number indicates that the correction should be applied to the metric side of the chart only. A chart number preceded by an asterisk (*) indicates that the chart is the largest scale chart that the correction appears on. When (temp) appears below the chart number the chart correction is temporary in nature. The letter (N) preceding the current Notice to Mariners number indicates a Distribution Limited (not for sale) chart or publication. It is usually for U.S. Navy, government owned or chartered ships only. Courses and bearings are given in degrees clockwise from 000° T. Bearings of light sectors are toward the light from seaward. The nominal range of lights is expressed in nautical miles.
